

# Our Supporters Make the Difference !

"East Liberty Clean Sweep" volunteers united for the third year in a row!

If you would like to become more involved with the Parental Stress Center as a donor or volunteer, please contact us to let us know!

We also accept donations of clothing, furniture, toys, books and other gently used items that you may want to contribute for low income families that need them.

As a partner organization, we encourage your involvement in supporting the needs of the greater community!

## 2004-2005 Donor and Volunteer Groups
